## Chords Puzzle

Can you build the chords named below, using the given note as the lowest note in each triad? For inversions, it helps if you write out the root position of the chord first.

(If you need help, see pages 34-35 of the Usborne book *Music Theory for Beginners*.)

1. C major, first inversion

6. E flat major, root position

2. A major, root position

7. A minor, root position

3. C major, second inversion

8. D minor, first inversion

4. B flat major, root position

9. C minor, second inversion

5. D major, first inversion

10. F minor, first inversion
