## A day in the life

Here are some jumbled up pictures showing a typical day for Jean and a typical day for Philippe. They both come from Paris, are the same age, and look very similar. Read about Jean and decide which picture from each pair is of him. Find the pictures which match the sentences and write their numbers in the five boxes below.

- A. Jean vient de Paris. Il a douze ans, il est grand et brun. Il a un frère et deux sœurs.
- B. Il quitte la maison à sept heures et demie.
- C. Il arrive à l'école à huit heures moins cinq.
- D. Après le déjeuner, il joue au football avec son ami. Son ami est petit et blond.
- E. Il quitte l'école à quatre heures vingt.

A.	B.	C.	D.	E.

The other five pictures are of Philippe. Use them to rewrite the five sentences in the space below, so that they are now about him.

- A. *Philippe vient de...*
